## SPANISH SERVICE

**Saturday nights!**  
**6:30 prayer • 7:00 service**

### *Urgent Prayer Request*

Please be in prayer for a man Bro. Tim Hadden met in Portland, OR. His name is **Marcus**, 57 years old, so without hope in this world. Marcus just got out of the hospital with congestive heart failure (90%), and doctors don't even give him a year to live. Marcus will be getting together with Bro. Hadden on November 3rd. Let's pray for a miracle in this man's life. He desperately needs salvation!

## MEET OUR NEW YOUTH MINISTRY LEADERS

### BRO. KERRY, JR. & SIS. TORI JONES

"We are so excited to be starting on this journey with the young people of The Sanctuary and know that God has awesome things in store. We cannot wait to see where God is going to take us as He continues to transform the hearts of our young people. Keep us in your prayers as it

is very difficult for our young people in today's society."

-Bro. Kerry & Sis. Tori Jones

"Being in Refuge Student Ministries has literally changed my life. We all fight like brothers and sisters, but when we pray together, whew; you couldn't come at us with the world! We have

our ups and downs, but it's nothing a little prayer and passion can't fix.

I can truly say that God sent me to The Sanctuary for a reason. I have such a burden for my youth group, and I see so much happening in each of our lives and walks with God in this next year. God's got great things in store and it's surely going to be a sight to see!

# From around the world...

**SPAIN:** Occupied as a settlement since pre-Roman times and conquered by the Kingdom of Castille in 1085, Madrid has been the capital of the Kingdom of Spain since 1561. Located in the heart of the Iberian Peninsula, it continues to be a strategic and important economic force as the third largest economy and metropolitan area in the European Union.

Madrid probably began in prehistoric times as a crossroad between various rural settlements in the area, and it continues to be the meeting point of many different cultures, as over 16% of the population of Madrid is of immigrant nationality. Our goal is to have twenty-five churches in the metropolitan area of Madrid.

Currently we are pastoring Tabernáculo de Vida (Life Tabernacle), a thriving Spanish speaking church, along with a growing English-speaking congregation, and a new Romanian church, but with a population of over 6.3 million, it is not enough! Our goal is to evangelize and establish churches in this beautiful metropolitan area. Just in the last few months, we have been instrumental in launching our first two new churches, and in helping our current daughter work move into a new, larger facility.

## MADAGASCAR:

Every year, the National Evangelism team partners with the national church to target a major city with a Holy Ghost crusade.

This year the crusade was held in the mid-south city of Antsirabe. There were pastors and church members from across the island who came together to support the five local churches of the city of Antsirabe by conducting street services and passing out invitations to the crusade. Each evening a crusade service was held with singing and preaching. At the close of the three day crusade, a total of 173 people had been filled with the Holy Ghost! Hallelujah! —Chris and Paula Richardson

**COSTA RICA:** In June, we had the Next Steps program, which was a group of young people from the United States that feel a call into missions. We had three weeks of intense class time, then we visited churches on weekends to minister in song, dramas, testimonies and preaching. I would recommend this program to anyone who feels the calling into missions! We also celebrated our National Convention which included the 40th Anniversary of the church in Costa Rica, an evangelistic crusade, a men's service, women's service, youth service and a children's service.

There were about 2,500 in attendance and we enjoyed having a choir group from Bethel Church in New York, minister in song. What a blessing they were! We had 165 receive the Holy Ghost and at least eight baptized in Jesus' name! We thank God for His blessing to Costa Rica; revival is happening!

—Larry and Elizabeth Decker

**Continue to be in prayer for our missionaries.**

### Good Eats Roast Turkey Recipe—Alton Brown

(Food Network)

Ingredients: 1 (14-16 pound) frozen young turkey

#### For the brine:

1 cup kosher salt

1/2 cup light brown sugar

1 gallon vegetable stock

1/2 tsp black peppercorns

1 1/2 tsp allspice berries

1 1/2 chopped candied ginger

1 gallon heavily iced water

#### For the aromatics:

1 red apple, sliced

1 cinnamon stick

1 cup water

4 sprigs rosemary

6 leaves sage

Canola oil

#### Directions:

2 to 3 days before roasting: Begin thawing the turkey in the refrigerator.

Combine the vegetable stock, salt, brown sugar, peppercorns, allspice berries, and candied ginger in a large stockpot over medium-high heat. Stir occasionally to dissolve solids and bring to a boil. Then remove the brine from the heat, cool to room temperature, and refrigerate.

#### Early on the day or the night before you'd like to eat:

Combine the brine, water and ice in the 5-gallon bucket. Place the thawed turkey (with innards removed) breast side down in brine. If necessary, weigh down the bird to ensure it is fully immersed, cover and refrigerate to set in cool area for 8 to 16 hours, turning the bird once half way through brining.

"Oops, wait, it's me  
your gonna eat?"

Preheat the oven to 500 degrees. Remove the bird from brine and rinse inside and out with cold water. Discard the brine.

Place the bird on roasting rack inside a half sheet pan and pat dry with paper towels.

Combine the apple, onion, cinnamon stick and 1 cup of water in a microwave safe dish and microwave on high for 5 minutes. Add steeped aromatics to the turkey's cavity along with rosemary and sage. Tuck the wings underneath the bird and coat the skin liberally with canola oil.

Roast the turkey on lowest level of the oven at 500 degrees for 30 minutes. Insert a probe thermometer into thickest part of the breast and reduce the oven temperature to 350 degrees. Set the thermometer alarm (if available) to 161 degrees. . A 14 to 16 pound bird should require a total of 2 to 2 1/2 hours of roasting. Let the turkey rest, loosely covered with foil or a large mixing bowl for 15 minutes before carving.
