New Church in Kikopey

ed its 50th anniversary in our National General Conference in the new Conference Center in Nakuru . Thanks to the faithful support and prayers of our precious partners, the work of God continues to grow in Kenya and Sudan/South Sudan despite the challenges we have faced recently. Over the period Jan - March 2022 we continue see souls being added to the church. We had confirmed reports that

119 were baptized in Jesus name and 92 received the baptism of the Holy Ghost with the initial sign of speaking with tongues as the Spirit gave them utterance during this 3 month period , thank God ! Many, many miracles were also reported including the conversion of one powerful elderly witch doctor named Kush in the Upper Nile Region of South Sudan who, after seeing the power of God

Many, many miracles were also reported including the conversion of one powerful elderly witch doctor named Kush in the Upper Nile Region of South Sudan who, after seeing the power of God change peoples lives in his village, came forward confessing his sins and requesting to be baptized in Jesus name. Another Muslim brother received the revelation of Jesus name after hearing the word and was baptized and filled after which God used him greatly to witness to his family and friends resulting in many of them also being converted. He continues to preach the Gospel with boldness. Several new Churches were also started during this period to the Glory of God.
